## School capacity list - Level 1 ISP-accredited high schools (no welfare)

This school capacity list provides International Student Program (ISP)-accredited education agents with information on the availability of enrolment places at ISP-accredited Victorian government schools.

ISP-accredited education agents can use this information to counsel prospective students and their families to find the right school for each student. **This listing is not to be distributed to students or parents.**

It is intended as a guide only for ISP-accredited education agents and it is subject to change, as enrolment availability changes regularly. ISP-accredited education agents can contact the International Education Division (IED) via email at [international@education.vic.gov.au](mailto:international@education.vic.gov.au) or phone +61 3 7022 1000 to confirm and verify school enrolment availability and entry requirements.

For further information about the features and benefits of individual schools, please see the Right School Right Place Full Guide at <https://www.study.vic.gov.au/Shared Documents/en/Right-School-Right-Place-FullGuide.pdf>.

**Note: Interview will be conducted before school acceptance or offer is made**
